As dedicated parents, we will do our best to:

Remember that our children's only job is to be children, not our messengers, spies, counselors, confidants, or carriers of our hurt.

Be sure to remember that our love for our children is greater than any issue we could have with each other.

Respect each other's parenting time while also being flexible, so the children's lives can be as normal as possible.

Educate our extended families and close friends that they need to make peace as well.

Pay special attention to keep our appointments and schedules with each other and calling promptly if any problems come up.
